## Abington Friends Arboretum

Welcome to the Abington Friends Arboretum. We have a diverse canopy of trees, which is a great habitat, learning tool, and community resource.

AFS has inventoried over 300 trees on our campus. The Alumni Class of '64 and Middle School students have created the mile-long **Tree Tour '64** trail to showcase and share our incredible diversity of trees.

We invite you to follow **Tree Tour '64**.

For an interactive map and information about the trees go to [abingtonfriendsarboretum.org](http://abingtonfriendsarboretum.org).
